# Count how many to left and how many to right

←      →

left      right

The grid contains 16 cars arranged in 4 rows and 4 columns. Each car is accompanied by a traffic light on its left and right sides. The colors of the cars in each row are: Row 1: Red, Yellow, Red, Red; Row 2: Red, Yellow, Red, Red; Row 3: Green, Red, Green, Yellow; Row 4: Yellow, Green, Yellow, Green. There are also two empty boxes with arrows pointing left and right, labeled 'left' and 'right' respectively, located at the top center of the grid.
